The Expanse season 5 release date, scheduleThe Expanse season 5 is streaming now, after the first three episodes debuted on Wednesday, Dec. 16 on Amazon Prime. The remaining seven episodes are released weekly on Wednesdays.Get ready to head back into space when you watch The Expanse season 5 online on Amazon Prime Video. The action-packed sci-fi drama is back with 10 new episodes in its penultimate season. Yes, The Expanse is coming to an end with a sixth and final chapter. In the meantime, Season 5 is streaming now. The story picks up with multitudes of humans leaving the solar system in search of new homes on Earth-like worlds beyond the alien Ring. The centuries of exploitation in the Belt is finally yielding terrible consequences and the crew of the Rocinante is feeling the effects.Trying to escape the past is a theme for several of the major characters in The Expanse season 5. Holden (Steven Strait) confronts his dealings with the Protomolecule, the aliens who built it and the mystery of what killed them. Amos (Wes Chatham) returns to Earth to face the life he left behind, while Naomi (Dominique Tipper) reaches out to her estranged son and Drummer (Cara Gee) is settling in with a new crew.Bobbie (Frankie Adams) and Alex (Cas Anvar) grapple with the collapse of Mars as they chase a shadowy cabal tied to terrorists. And Avasarala (Shohreh Aghdashloo fights to prevent a terrorist attack unrivaled in history.Here's everything to know about how to watch The Expanse season 5.How to watch The Expanse season 5 online anywhere, with a VPNIf you're away from home, in one of the few areas that doesn't get Amazon Prime, you don't need to miss The Expanse season 5. Watching along with the rest of the internet can be pretty easy with the right VPN (virtual private network), you can stream the show from wherever you go.Our best VPN pick is ExpressVPN (opens in new tab). It meets the VPN needs of the vast majority of users, offering outstanding compatibility with most devices and impressive connection speeds. It's also affordable at \$12.95 per month. (Signing up for longer periods of six months or a year reduces the cost even more.)How to watch The Expanse season 5 online in the US and the UK (and most other countries too)Practically everyone around the world has access to Amazon Prime Video (opens in new tab), which means they can watch The Expanse season 5. Episode 1, 2 and 3 are streaming now (opens in new tab) after being released Wednesday, Dec. 16 at midnight ET. The remaining 7 episodes will be available weekly on Wednesdays.The Expanse season 5 trailerThe trailer opens with the solar system on the brink of a huge conflict, as faction leader Marco Inaros (Keon Alexander) calls upon his fellow Belters to rise up against centuries of mistreatment. As for the Roci crew, as Holden is told, he has everything — a good ship, a crew, love. Yet, he's never going to stop worrying about the fate of the world.The Expanse season 5 castMost of the core cast of The Expanse is back for season 5:Steven Strait as James Holden, captain of the Rocinante shipCas Anvar as Alex Kamal, ship pilotDominique Tipper as Naomi Nagata, ship engineerWes Chatham as Amos Burton, ship mechanicFrankie Adams as Bobbie Draper, Martian marineCara Gee as Camina Drummer, commander of the Medina StationShohreh Aghdashloo as Chrsijen Avasarala, former Secretary-General of the United NationsFans can also expect to see these recurring cast members:Chad L. Coleman as Fred Johnson, Chief of Operations at Tycho StationAnna Hopkins as Monica Stuart, a journalist and documentary filmmakerNadine Nicole as Clarissa Mao, prisoner and Jules-Pierre Mao's elder daughterKeon Alexander as Marco Inaros, Belter leaderJasai Chase Owens as Filip Inaros, Marco and Naomi's sonLily Gao as Nancy Gao, Secretary-General of the United NationsMichael Irby as UNN Admiral DelgadoThe Expanse season 5 reviewsReviews of The Expanse season 5 are flowing in. Here's a round-up of what TV critics are saying:AV Club (opens in new tab)"The chemistry and interplay among the crew of the Rocinante has always been a major draw, and here, it's more or less a moot point, with each one stranded from the rest, isolated in part by the massive crisis that serves as the season's main threat. The fact that this works as well as it does is both a testament to the quality of the source material, and proof positive of how much time the show has put in making sure all of its core cast is worth watching."Paste (opens in new tab): "Having its core characters so dramatically isolated means that the action in Season 5 is, by necessity, much slower than a lot of fans will be used to—and The Expanse already had the capacity to be a pretty slow show."Den of Geek (opens in new tab): "The emotional stakes are high in The Expanse season 5, and although the action takes a few episodes to really kick in, once things shift into high gear, it's full speed ahead."Ars Technica (opens in new tab): "The Expanse's fifth season is the best since its first, a long-awaited high-stakes payoff to several seasons' worth of setup. If you drifted away from the show during earlier seasons, like something accidentally dropped in microgravity, this new season makes it worth finding a way to come back."Comics Beat (opens in new tab): "If you want a gritty sci-fi space show, The Expanse is still your best bet. Really, truly. It just has it all—mostly realistic physics, interesting politics, a diverse and excellent cast, well-plotted story, and character arcs—but I still saw the same flaws that I expressed in my fourth season review. Namely, that The Expanse needs a Big Bad who's more than a monologuing polemicist (Marco) or possibly evil aliens (that's still vague). " Get instant access to breaking news, the hottest reviews, great deals and helpful tips. E-commerce companies weren't blue on Black Friday.MORE ON CIO.COM For more on holiday e-commerce, read: The High-Stakes Search for Supply Chain Excellence During the Holiday Rush Q&A: How to Win the Holiday Shopping Wars Hackers Poised for Holiday Shopping Assault Having prepared their sites and supply chains for the biggest shopping season of the year, online retailers welcomed a rush of shoppers who spent \$531 million on their hearts' desires the day after Thanksgiving. That's up 22 percent compared to last year's Black Friday, according to comScore, an online researcher. So far in November, online purchasing amounts to \$9.4 billion, up 17 percent from the \$8 billion booked during the same period a year ago, comScore says. Video games and accessories were by far the most-bought items, followed by furniture and appliances, consumer electronics and sports gear. Unlike in years past, when IT failures wrecked the holidays for consumers and companies alike, no major outages at big e-commerce sites have been reported so far. Perhaps the turkey roasting didn't go well for some, however: Online shoppers spent \$272 million on Thanksgiving Day itself. As Americans (and everyone else around the world) contend with extensive homestays and uncertain futures, the need for laughter feels perhaps more essential than ever before. So now is the perfect time to revisit, catch up on, or, for the lucky ones, experience for the first time, Matt Groening's beloved animated sitcom, enjoyable for all adults and kids of most ages. Here's how to watch The Simpsons online, including the latest episodes as they air. Created By: Matt Groening Cast: Dan Castellaneta, Hank Azaria, Nancy Cartwright Number of Seasons: 31 How To Watch The Simpsons Online In The U.S. More staying in also means expanding the home-streaming universe, and those assorted services' monthly or annual fees can add up quickly. Luckily, Disney+, the six-month-old streaming service that holds the show's exclusive rights, offers a free trial. This promotional period allows potential subscribers to sign up and watch The Simpsons online for a week without having to part with a single dime — though even without leaving your couch once, that wouldn't allow enough hours to binge all 661 episodes in its collection. When the trial comes to an end, viewers can either continue their Disney+ subscription for \$7 per month or hand over \$70 for an annual membership at a discount of \$14. There's also the Disney+ Bundle, which also offers access to ESPN+ and Hulu for only \$13 per month — \$5 less than it would cost to subscribe to the trio individually. Considering episodes from season 31 won't be available on Disney+ until next month at the soonest, but are available on Hulu right now, this seems like the best way to watch The Simpsons online. Another alternative to watch The Simpsons online is through Amazon Prime Video, where the current season's shows can be purchased. Past episodes are also available for rental and entire seasons for sale (prices ranges from \$3 or \$15-\$40, respectively). Both Disney+ and Amazon have chosen to exclude a season 3 episode involving Michael Jackson, which is apparently now regarded as too controversial. (Both company's disregard of the show's 4:3 aspect ratio that was used until midway through season 20 has also sparked some controversy). But, in any case, the rest of the show's still-unfolding legacy is readily available, and for streamers seeking out their new fix, this is one that could keep them occupied — and smiling — for some weeks or months to come. Editors' Recommendations (Image credit: Paramount Network) The stakes are higher than ever when you watch Yellowstone season 4 online. This installment of the Paramount Network series follows John Dutton (Kevin Costner) and his children as they grapple with brutal attacks, new foes and political maneuvers. Yellowstone season 4 start time, channelYellowstone season 4 is streaming now on Peacock (opens in new tab).Yellowstone season 4 continues the saga of the Dutton family, who control the largest contiguous ranch in the United States. This is still frontier country and the ranch is under constant threat from land developers, an Indian reservation and conservation activists.Here's everything you need to watch Yellowstone season 4 online.How to watch Yellowstone season 4 anywhere, with a VPNJust because Peacock isn't available everywhere doesn't mean you need to miss Yellowstone season 4 if you're away from home. Watching along with the rest of the internet can be pretty easy. With the right VPN (virtual private network), you can stream the show from wherever you go.We've evaluated many options, and the best VPN is ExpressVPN (opens in new tab). It meets the VPN needs of the vast majority of users, offering outstanding compatibility with most devices and impressive connection speeds. It's also affordable at \$12.95 per month. (Signing up for longer periods of six months or a year reduces the cost even more.)How to watch Yellowstone season 4 in the USIn the U.S., Yellowstone season 4 has finished airing on the Paramount Network. Episodes are now streaming online at Peacock. You will need a Peacock Premium plan (\$4.99/month) to watch Yellowstone season 4. To watch all of Yellowstone when it is airing, you need access to the Paramount Network, which is available with a cable package. If you've already cut the cord, you can watch Yellowstone season 4 on several live TV streaming services, including Sling TV, Fubo TV, Philo, YouTube TV and DirecTV Stream.Of these options, we recommend Sling TV. Just add on the Comedy Extra package (\$6) to get Paramount Network. Fubo is also a great choice, with more channels.How to watch Yellowstone season 4 for freeYou can also watch Yellowstone season 4 episodes for FREE on the Paramount Network website (opens in new tab). Just click here (opens in new tab), select "Start 24-Hour Pass" and register with your email address. If you want to watch the entire season, however, you'll need one of the best cable TV alternatives mentioned above.Can you watch Yellowstone season 4 in the UK?There's bad news for Brits. Previous seasons of Yellowstone have been available on Paramount Network UK and Channel 5's streaming service My5 (opens in new tab) for free (with a valid TV license). However, Paramount Network UK and My5 haven't announced a Yellowstone season 4 release date. British fans will have to wait, possibly for some time. Anyone who is traveling in the U.K. and wants to use the streaming services they've already paid for will need ExpressVPN (opens in new tab).How to watch Yellowstone season 4 in CanadaCanadian fans can watch Yellowstone 4 streaming on Amazon Prime Video (opens in new tab).Travelers who want to use their existing streaming subscriptions can look into ExpressVPN (opens in new tab). Get instant access to breaking news, the hottest reviews, great deals and helpful tips.
